I hereby declare having taken knowledge of the rules of the 2019 Event with which I shall comply and bind myself to respect the chart "ECO CYCLO"

1-Nature is beautiful and the road is not a garbage can. In all circumstances, promenade, training or competition, I shall retain my waste and wrappings until I can get rid of them where it is allowed.

2-I respect the Highway Code and my helmet shall always be my most trusted companion.

3-Cycling is a wonderful sport, excellent for health and I never will break a run of good luck by taking ill-omened or forbidden medicine.
